

General Rules for Submitting an Architectural Modification Review Application Form

Homeowners must sign and submit this application; **the application may not be submitted by your contractor/vendor on your behalf.** Upon receiving approval from the ARC, the management company, will notify the Guard Gate, which will allow contractors to access the community according to the approved timeframe. Once exhausted, an extension is required in writing by the homeowner.

Permit Lengths

For approved applications, Homeowners will be granted the following amounts of time to complete the requested improvements/changes from the commencement of work:

<i>Approved for:</i>	<i>Timeframe</i>
Patio, Walkway or Driveway Modification	Five (5) days
Exterior Decorative Objects	Three (3) days
Landscape Lighting	Three (3) days
Garden Plots	Five (5) days
Play Equipment, Play Houses and Tree Houses	Five (5) days
Basketball Goal and/or Pole	Three (3) days
Private Pool	One hundred & twenty (120) days

Temporary Storage/Dumpster	Seven (7) days

The ARC reviews applications electronically; however, the committee will meet as necessary to address any specific issue of a particular ARC application. Owners generally receive a response to their request within ten (10) days after submission of the application, provided all required documentation is included. However, as stated in the HHCCE DECLARATION OF COVENANTS, CONDITIONS, EASEMENTS and RESTRICTIONS, preliminary approval or disapproval of proposed improvements is required to occur within thirty (30) days from its receipt.

Project Completion: It is the homeowner's responsibility to notify the management company and ARC upon project completion by sending an email with an attached photo(s) of the completed project to the email addresses below. The ARC will verify completion and ensure there was no property damage to common grounds, neighbor's property and/or streets.

 Contractor Name: _____ Contractor Phone: _____

Requirements

Any playhouse or tree house must have minimum visual impact to adjacent homes and to HHCCE streets and placed at the rear of the home (exceptions to be approved only if property layout makes impossible). Play equipment must be painted in earth tones to blend into the surrounding environment, excluding wearing surfaces (i.e. slides). Materials for play equipment, playhouses or tree houses are limited to cedar, or painted metal. Use of pressure treated lumber is suggested. Setbacks must be followed, and the playhouse or tree house may not exceed 100 square feet. Homes adjacent to lakes must submit an application for all play equipment, playhouses or tree houses. Basketball goals must be white, beige, clear or light gray and perpendicular to the main street, and the post must be black (freestanding basketball goals are allowed). However, an application is not required the above rules are followed. Baseball backstops do not require an application but must follow the rules for fencing. Along with this form, please submit the following for playhouses and tree houses:

- A written description and a drawing/diagram denoting location; and
- A list of materials used.
 - No Resident nor Vendor/Contractor shall be parked within the community streets overnight.
 - Dumpsters must be placed within the Homeowners property and not within the community streets; dumpster may be set on plywood within the Homeowners yard, if needed. If damage occurs to HOA common property, e.g., streets, the homeowners will be held accountable for repair.
 - Certificate of Liability Insurance from your contractor(s) require a minimum coverage of \$1,000,000.00.
 - Before submitting, please verify that under the **Certificate Holder** field on Certificate of Liability Insurance form, the contractor has it read: **HHCCE Home Owners Association, 12495 Mission Hills Drive, Jacksonville, FL 32225**

Homeowner is responsible to notify the HOA/ARC in writing, if there is a delay in material and/or labor that would delay an approved project requesting for an extension.

Exceptions

For other homes not adjacent to lakes, an application is not required for play equipment if:

- It is located in the rear of the house and does not exceed the sidelines of the home; and
- It is located within the fenced in portion of a backyard (if the yard is fenced).
